Stories of the Tanach

There are exactly four hundred stories in the Tanach. We recommend working through these stories with your family or group. Not sure how? First do the story. Either tell it in your own words, or read it while the others act it out and mime the quotes! And then work through the five suggested questions below.

This list supplements the Tanach Hero's Journey course, especially Lesson #3.

Permission to use this list is freely granted with the request that you link to/cite the Mussar Center (mussar.org). We hope you'll also make a donation to help cover overhead costs.
